EXHIBITOR INFORMATION BULLETIN #1

Welcome to the 2018 Globe-Miami STEMfest/Arbor Day Celebration! This year the event will once again be held on the beautiful grounds of Gila Community College. Exhibitors will be located throughout the campus in classrooms, breezeways, courtyards, and in the parking areas. A 5K Ruin to Ruin race will take place from 7:30am to 8:30am prior to the event. A tree planting ceremony will be held to observe Arbor Day at 12:00pm. The Pinal Mountain Foundation for Higher Education will be selling food and beverages, and the Gem and Mineral Society will be selling raffle tickets to raise funds for their scholarship programs.

We ask that you arrive at 9:00am to begin setting up your exhibit. Volunteers will be available to help with set up. Please indicate on the Registration Form if you need special accommodations of any type. If you can bring your own tables, chairs, and canopies that would be a great help as we have a limited number of them available on site. We ask that the exhibitors do not bring items to sell at this event.

Please make sure to register your exhibit using the Registration Form included with this bulletin. Registration deadline is Monday, April 2, 2018. The event is free of charge.

A community meeting will be held in early April to provide more information, a site map, event discussion, and a walk through of the campus. You will be notified later via e-mail of the meeting time, date and location.
