Notice of Pending Financial Statement Filing

March 14, 2024 Revised: May 7, 2024

Arizona Revised Statutes (A.R.S.) §9-481 requires cities and towns to file a copy of their financial statements with the Arizona Auditor General pursuant to A.R.S. §41-1279.07 within 9 months after the close of each fiscal year. These financial statements must be posted in a prominent location on the city's or town's official website within 7 business days of filing the reports with the Arizona Auditor General.

We posted this form on our website in place of the financial statements until we file the financial statements with the Arizona Auditor General. We have sent a copy of this form to the Arizona Auditor General, the Speaker of the House of Representatives, and the President of the Senate.

If the financial statements are not completed as prescribed on or before our budget-adoption process pursuant to A.R.S. §§42-17103 and 42-17105, this form will be published in the budget for the subsequent fiscal year to notify taxpayers that the required financial statements are pending and of the reasons for the delay and the estimated date of completion.

# Entity name: Gila County Provisional Community College District (GCPCCD)

Fiscal reporting year: FY 2023

## **Reasons for delayed report(s):**

GCPCCD contracts with Eastern Arizona College (EAC) to provide financial services and budget oversight. Documentation for the 4<sup>th</sup> Quarter (April-June 2023) was not received until January 16, 2024. Details were requested, errors were found, adjustments were needed, and final information was not received until March 1, 2024.

**Update**: GCPCCD has experienced further delays related to the reconciliation of certain financial statement funds and accounts recorded on EAC's general ledger on behalf of Gila. As a result, the financial statement preparation process is taking longer than anticipated.

Estimated date of completion: July 31, 2024

Instructions

#### **General instructions:**

The budget form has a drop-down field to select the budget year, and the instructions do not include specific dates as they are not issued annually. As used in these instructions, the term "**current year**" is the fiscal year in which the community college district is operating, and "**budget year**" is the fiscal year for which the community college district is budgeting. Community college districts should use the budget schedules dated 3/22 for fiscal year 2023 and thereafter. As changes become necessary, we will post new forms on our website and notify community college districts of the changes by email.

Linked instructions for completing the schedules are included on the Instructions tab. Links to the related instructions and specific line numbers or section titles have been included throughout the schedules (highlighted in light blue) to allow users to access the specific line instructions directly without the need to scroll through other instructions. An Instructions button is provided at the top of each schedule unless no additional instructions are needed to complete that sheet. This button links to the first instruction for that schedule, and users may scroll down to view all instructions for the schedule. To return to the related schedule after reviewing the instructions, simply click on the schedule's tab at the bottom of the Excel screen or press the Alt and back arrow keys. The schedules have been set to print without "objects" so that the instructions buttons do not print. The light-blue highlighting will print, and users may remove the highlights before printing if needed.

### Protection/unprotection of file:

Each spreadsheet within the file has been protected to prevent accidental deletion of formulas. When the sheet is protected, you can move from one cell to the next using the Tab key. A password was not assigned so the sheets may be unprotected to make minor formatting changes such as row height, column width, and font size. To unprotect an individual spreadsheet, select Protect/Unprotect Sheet from the menu.

If you need to add lines to Schedules A through C, remember to check all formulas in the subtotals and totals to ensure that additional lines added are included, and make changes accordingly. Once changes have been made, the sheet should be reprotected by reversing the above process. Reprotecting the sheets will help ensure that formulas are not accidentally altered or deleted.

If you have any questions, please contact the Accountability Services Division at asd@azauditor.gov or (602) 977-2796.
